WHY JUBO DUFLA

Plastic dual belt conveyor - DUFLA

Model: dufila, Type: Plastic belt conveyor for wash tunnel

*** Technology**

DUFLA car wash tunnel plastic belt conveyor is designed to offer an innovative way to convey vehicles in corrosive car wash environment, it usually deployed in full flex express car wash sites.

It's so easy you can self-load! Glide into the tunnel and put your car onto the belt conveyor, sit back and prepare for car wash!

No rails! Each one of the belts are wide. No more stress about scratched wheels, alignment issues, or scuffed tires.

Open entrance. flat conveyor so that you will always feel safely loaded before the car wash begins.

JUBO dual belt conveyor is perfect for large vehicles or hand washing / detailing applications. The extra wide conveyor belt makes loading easy and provides extra space for staff members to stand during service multiple cars can be stacked closely on the belt in the same tunnel, maximizing service speed and minimizing space used.

*** Benefit**

Conveyor belts available in 600mm,700mm,800mm,900mm widths or customized width.

Conveyor belts colors are optional, standard in black and yellow, orange, yellow, blue, green or other RAL/PANTON colors are available.

Conveyor belts available in single lane or dual lane.

Conveyor includes belt sprockets and stainless-steel 304 hinge pins

Conveyor belts stud pusher are available space distance 500mm or other value in need.

Conveyor driving system available SD(standard-duty) single motor or HD((heavy-duty)) dual sides motor.

Conveyor forward speed adjustable adapt to wash tunnel brushes by control of VFD-panel.

*** Integration**

JUBO DUFLA belt conveyor system ready to be integrated to full flex express wash tunnel with chassis(underbody) wash unit, wheel wash unit, bug prep, pre-soak, lava-foam, multi-foam,HP water, RainWax, dryer, spotless.

*** Simple**

Simple design, simple structure, simple installation, only simple make it reliable, so simplicity is most important fact for a machine keep running non-stop.

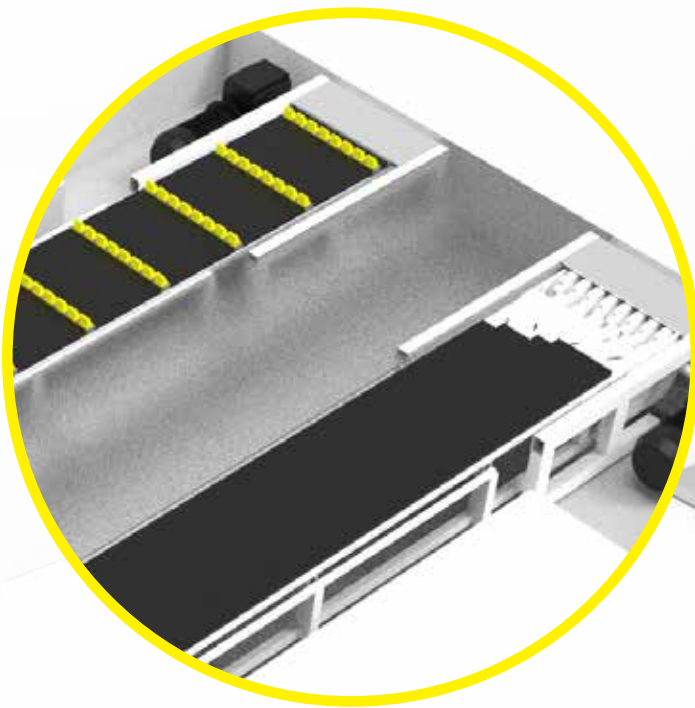

*** Partnership**

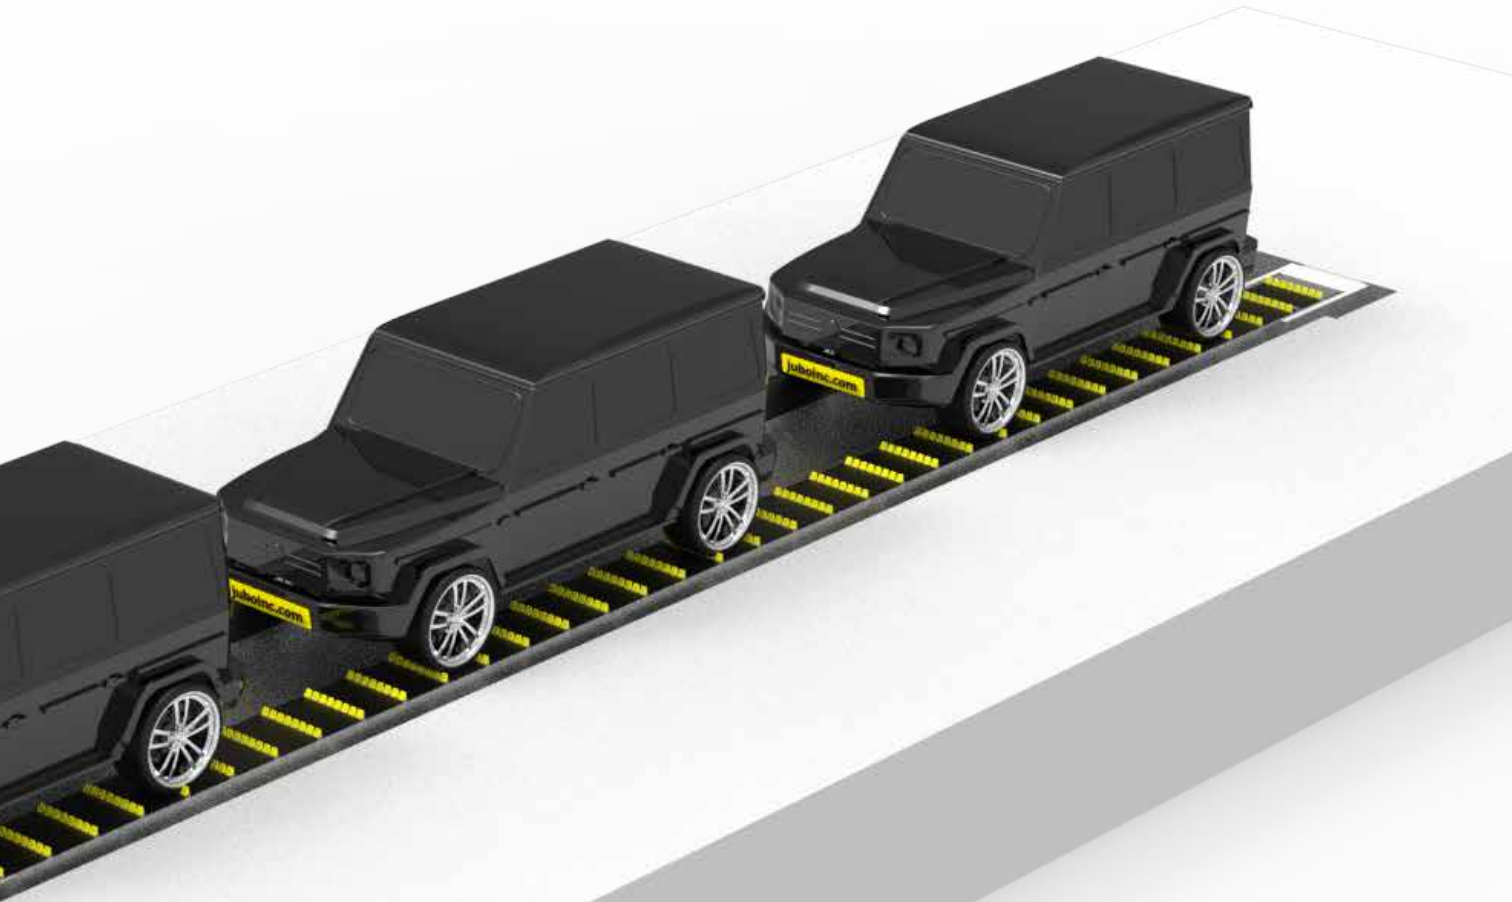

JUBO is open to the globe, be partners to follow innovation and grow together.

*** China**

JUBO headquartered in China, with all series production chain support, it will be easy to supply goods and easy transport via SHANGHAI port to the whole world.

SIMPLE & POWERFUL TO ENJOY DUFLA PLASTIC BELT CONVEYOR

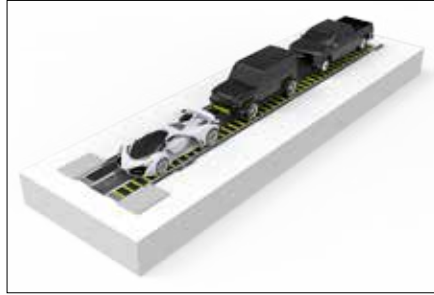

Accelerate performance
Simple calm confident experience
